

Directory of Cigarettes Approved for Sale and Imporation
Updated June 19, 2015

The following cigarette manufacturers and their associated brands have been determined to be in compliance with Alaska Statutes 45.53.020 (see **MSA Compliant Tobacco Manufacturers**) and 18.74.010 (see **Directory of Fire Safe Certified Brand Styles**). Please be advised that cigarettes (to include roll-your-own) manufactured by companies not listed below may not be sold in Alaska. Cigarettes found in Alaska that are not on this list are contraband and subject to seizure and destruction. Violations of AS 45.53.020 may also be punished by revocation of a license issued under AS 43.50.010, 43.50.035, or 43.50.320 and imposition of civil and criminal penalties.

Manufacturer type provides that the company is both a participating manufacturer (PM) and signatory to the Tobacco Master Settlement Agreement and all amendments to that agreement or a non-participating manufacturer (NPM) in full compliance with Alaska Statute 45.43.
