Your estimated maximum monthly tax liability must be secured by a surety bond or at its discretion, DOR may issue a permit in lieu of a bond.

- Surety bond in the amount of \$25,000 or an amount equal to the total estimated maximum monthly inventory tax indicated above; attach the License Warehouse Bond Form 405W.
- Permit in lieu of bond(cash, letter of credit or certificate of deposit from an Alaska bank in an amount equal to the total estimated maximum monthly inventory tax indicated above). You must be doing business wholly in the state of Alaska to qualify. For new applicants, attach a written request for a permit in lieu of bond.

Note: If the potential amount of alcoholic beverage excise tax on the inventory in the warehouse at any time exceeds the secured amount by more than 10%, the owner/operator must increase the security to equal the additional amount within 30 days after the difference has been discovered. The discovery would normally occur at the end of the month when an inventory is taken for the purpose of preparing the monthly tax return. Failure to comply with this security requirement will result in revocation of the Bonded Warehouse License per 15 AAC 60.090(b)(2).

I declare under penalty of unsworn falsification that this application and any attachments have been examined by me and to the best of my knowledge and belief are true correct and complete, I agree to pay all alcoholic beverage excise taxes imposed by AS 43.60. That are not collected, for any reason, from the owners, on alcohol sold or consigned from the licensed warehouse. I agree to file a monthly tax return.
