### What's New

Form 597 has been redesigned to be a general payment voucher for fisheries estimated tax payments, applicable for quarterly tax payments, final payment or payment of an assessment by the Department of Revenue. Form 574E "Alaska Fisheries Business Tax Estimated Payment Voucher" has been incorporated into this form and has been discontinued.

### Purpose of Form

Form 597 is used to accompany a payment made by check for quarterly estimated tax payments, final payment or the payment of an assessment by the Department of Revenue. This form may also be used for a payment made by wire transfer.

### Electronic Payment

Taxpayers are encouraged to pay taxes electronically by using the Online Tax Information System (OTIS) Payment Center at [www.tax.alaska.gov](http://www.tax.alaska.gov). A taxpayer may also print out a voucher using the OTIS system.

When the final payment is \$150,000 or greater or a quarterly payment is \$100,000 or greater, payment must be made by Electronic Funds Transfer (EFT) or wire transfer. See Alaska Regulation 15 AAC 05.310.
