**What's New**

Form 6240 has been redesigned to be a general payment voucher, applicable for an estimated tax payment, a payment made with an extension of time to file the corporate return, or payment of an assessment by the Department of Revenue.

**Purpose of Form**

Form 6240 is used to accompany a payment made by check for an estimated tax payment, a payment with extension of time to file, or the payment of an assessment by the Department of Revenue. This form may also be used for a payment made by Electronic Funds Transfer (EFT) or by wire transfer.

**Electronic Payment**

Taxpayers are encouraged to pay taxes electronically by using the Online Tax Information System Payment Center (OTIS) or Revenue Online at [www.tax.alaska.gov](http://www.tax.alaska.gov). A taxpayer may also print out a voucher using the OTIS system or Revenue online.

When a payment with an extension is \$150,000 or greater or any other payment is \$100,000 or greater, payment must be made by EFT or wire transfer. See Alaska Regulation 15 AAC 05.310.
