

On behalf of the Department of Revenue, please accept my sincerest apologies for those that tried to participate in today's workshop but were cut off from the audio and visual presentation. I understand the value of everyone's time and apologize for the inconvenience this may have caused. I had attempted to hold the meeting at an offsite location, but technical difficulties prevented us from making the workshop available over the internet. Once the audio connection was lost we were not able to re-establish the connection.

Accordingly, I will moderate all future WebEx meetings from the department's offices in Anchorage, Alaska. A make-up workshop that will have the same agenda and format as the August 23, 2012 workshop has been rescheduled for Wednesday, August 29, 2012, beginning at 10:00 a.m., Alaska Daylight Time. To access the WebEx meeting please go to:
